Hospice of the Valley

We Honor Veterans Program

In 2014, Hospice of the Valley became a proud member of the We Honor Veterans program. This program was developed by the National Hospice and Palliative Care Organization and the Veterans Administration, to help and honor our veterans at end of life. In recognition of all veterans, past and present, Hospice of the Valley wants to share its commitment to increasing access to compassionate care and express our sincere appreciation to all veterans. As a Level III partner of We Honor Veterans, HOTV has pinned over 1,000 veterans honoring veteran patients, staff, and widow of veterans in our community. Hospice of the Valley has been privileged to work with local DAV and Marine Corps veteran volunteers who assist at each and every pinning ceremony. The We Honor Veterans program shows that it's never too late for us to say thank you to a veteran for their service.
